Par Le Monde
**THE
ASSOCIATION**

Par Le Monde is an association that develops and runs digital intercultural exchange program for children aged 7 to 13 and their teachers. This program is called **1Village**.

Our mission is to develop curiosity, responsibility and openness to other cultures by using digital tools in a positive way.

OUR PURPOSES

Promoting living together

Combating territorial disparities

Educating children on the positive use of digital tools

Fostering academic and psychosocial skills

Supporting teachers and school/family co-education

**1 VILLAGE
WHAT IS IT?**

Since 2019, our “1Village” program has enabled children from around the world and their teachers to share their culture and daily lives. Thanks to digital tools, **they send each other messages and videos, play together and learn to live together.**

1Village lasts one school year and is divided into 3 modules:

1. Discover

2. Exchange

3. Imagine

HOW DOES IT WORK?

Thanks to digital tools, your child will exchange with around 20 classes.

10 classes from your country

10 classes from another country

All 1Village activities help develop academic and psychosocial skills.
